Christmas Decoration Competition

With the Christmas holiday season right around the corner many of you are preparing for the Christmas Decoration competition. Home decorations will be judged on **December 15, 2010**. Prizes will be awarded a little differently this year. There will be winners in three categories; *Best Theme, Best Light Show, and Most Creative*. *Objective judges will be selected from outside the Muir Woods neighborhood.*

This year has been wonderful and I want to thank you for supporting neighborhood activities. I truly believe they help bring our neighborhood closer together as a community. I also want to give additional thanks to those who volunteered their time, talent and resources to make our neighborhood events such a success. These events would not be possible without the volunteers and their contributions.

Easter Egg Hunt

The Muir Woods annual Easter Egg Hunt was fun for all who attended. The event included refreshments for attendees, and enough eggs to put a smile on every

child's face. We also had a special visit by the Easter Bunny. Several families had their pictures taken with the Easter Bunny, and residents expressed their appreciation for his visit.

Annual Neighborhood Yard Sale

The Muir Woods annual neighborhood yard sale was held on June 12, 2010. Several families participated and people from throughout the community came shopping. A special thanks to Randy and Andy Jackson for donating the nice "Muir Woods Neighborhood Yard Sale" signs.

4th of July Celebration

The Muir Woods annual 4th of July celebration was a success. Several families from the neighborhood attended and enjoyed a dunk tank, a bounce house for the kids, face painting, karaoke, snow cones, a Cub Scout flag raising ceremony, barbecue, kid's bicycle parade, and patriotic games. The night ended with fireworks and s'mores. Thanks to everyone who participated and donated toward this event. Several residents expressed gratitude and appreciation for the event.

MAINTENANCE AND LANDSCAPE PROJECTS

End of year landscape and maintenance projects were completed in October and early November.

Several trees had been damaged by wind or had just not thrived. Several trees were replaced in the north part of the commons with aspens and a river birch. In the north part of the commons one failing tree was replaced with a honey locust.

You may have observed that some of the bushes were missing or just not thriving on the berms along Victory and Cloverdale. Our landscape company put in 45 burning bushes that will add more fall and winter color.

The paved path through the common area was also oiled and sealed.

MUIR WOODS PHOTOS

Do you have photos of Muir Woods events or other pictures you would like to share of our community? Lee Coulson, who manages our Muir Woods website, would like to put up photos of Muir Woods and its residents on that site. You may send digital or scanned photos to:

2011 ASSESSMENTS

2011 Assessments will remain the same at \$120 per quarter. Through responsible planning and spending, the Muir Woods Board has kept the assessments the same since 2004. Please be aware that your assessment is due on the 1st day of the 1st month of each quarter. The governing documents do not allow for a 'grace period'.
